USAID and WASH

USAID Global Health Bureau investments

WASH  EHP  HIP  WASHplus

30+ year legacy

USAID’s central procurement for supporting global & mission-level environmental health programming, 2010 - 2016
GOAL:
Promote healthy households and communities through improved Water, Sanitation, and Hygiene, and Clean Cooking practices in order to reduce diarrheal diseases & pneumonia

STRATEGIC OBJECTIVES:

1. Increase availability and use of proven high-impact WASH and Clean Cooking interventions

2. Develop and implement strategies for integration of WASH and Clean Cooking interventions into other health and non-health programs

3. Support USAID’s participation in strategic partnerships with other donors and cooperating agencies

4. Develop and test new and innovative approaches and tools for implementation of high-impact WASH and Clean Cooking interventions
